American govt not founded on
basis of unlimited trust of anyone
being - Has to be watched, members
checked.

* 1) Raise issue of President - unlimited
right to lie +

Question - what to do about it

2) * Proved we have been ruled by men
whose lives have been such to make
decisions on very abstract calculations -
totally divorced from the human pain
+ agony they are causing

Contin, every reached -

Search whole PP - never find statistics
Not because we couldn't - higher levels
never bothered

Statistics of human pain -

Not seen as relevant -

Pain of people of dimensions
Policies being made by men.

Telling the truth is harder

McL even Justice Dept -
Giving info that American public
not hear

The real question
Does the President have an unlimited
right to lie?

Does he have an unlimited
right to keep the ~~facts~~ mouth for
the American people -
Not really - a no

clx + Documents proved what ~~was~~
people long suspected - that we
we seriously lied to
